Not Your *Typical* Corporate Retreat

Not Your Typical Corporate Retreat

Things happen a little bit differently when you host your corporate retreat at the Perth Parkside Inn & Spa. Forget fluorescent lighting and stuffy board meetings packaged with a hard mid-afternoon energy crash.

Instead, you'll feel refreshed and inspired as you're surrounded by parkland while sitting inside gorgeous rooms filled with natural lighting. Located in downtown Heritage Perth, Ontario, you'll take time to walk out on the patio and stroll through Stewart Park. You'll re-charge at our spa and pool. You'll blow off steam at the down-the-road golf course. Heck, you may not even want to go back home.

Our corporate retreat spaces and packages give businesses and organizations the chance to re-charge and focus on the bigger picture while also escaping the city.

Just an hour's drive from both Ottawa and Kingston, Perth Parkside Inn & Spa is the perfect place to get away from the office and connect with your colleagues in a stellar setting.

Conference Rooms

The Perth Parkside Inn & Spa is a boutique-style venue where you can host a personalized corporate retreat or conference. With rooms that can accommodate groups ranging from 2 to 100, we've got a space that'll work for your needs:

Code's Conference Room

The Code's Conference Room is a bright and airy meeting space that has it all: large windows, comfortable leather chairs, projector and screen, and teleconference capabilities. It's the perfect space to host up to 20 people.

Matheson Hall

Whether you want to work in roundtable groups or have a theatre-style set-up, our Matheson Hall has anything but boring corporate feel about it. With ceiling-high windows and stunning marble floors, the Matheson Hall is an inspiring space for keynotes, group work and networking.

Stewart Park Room

Need a mid-sized meeting space? The Stewart Park Room is great for groups who need a mix of meeting and presentation space. This room can accommodate up to 60 people and it's used a lot for a classroom-style set-up.

Unwind at the Spa

If you hit the B button in our elevators, you'll be taken away to an unforgettable in-house spa experience. Our large, open concept spa overlooking Stewart Park gives our corporate retreaters a luxury experience during their time away from meeting. With eight treatment rooms, six pedicure stations and four manicure stations, our natural-lighting spa is a popular feature for conference attendees.

Hit the Links

With Canada's oldest-running golf courses located one minute down from the inn, you can build in a round of golf between meetings. We have a corporate golf package that includes accommodation and corporate offerings with a round of golf at one of our participating golf courses. We'll even shuttle your group to and from the course for easy transitions.
